

**Agreement for Participation in Organized Individualized Instruction for  
BIOL 3900 (Undergraduate Research), BIOL 4700 (Honors 1) and BIOL 4701 (Honors 2)**

**Please submit the signed form to the main Biology Office (249 Woodward) before the beginning of the semester of study.**

**COURSE and PARTICIPANT INFORMATION\***

Semester (Fall, Spring, Summer 1 or Summer 2) and Year of Study: \_\_\_\_\_

Course (BIOL 3900, BIOL 4700 or BIOL 4710) and Section: \_\_\_\_\_ Credit Hours (1, 2 or 3): \_\_\_\_\_

Student name: \_\_\_\_\_ UNCC ID: 800 \_\_\_\_\_

Instructor of Record: \_\_\_\_\_ Location of Project\*\* : Woodward Rm. \_\_\_\_\_

**STUDENT ELIGIBILITY FOR ENROLLMENT in BIOL 3900 (you may skip this section for BIOL 4700 and 47010)**

Overall GPA (min. 2.80 required): \_\_\_\_\_

Biology GPA (min. 3.00 required): \_\_\_\_\_

**PROJECT INFORMATION**

Project Title: \_\_\_\_\_

Biosafety Level (please attach existing protocols if appropriate): \_\_\_\_\_

**STUDENT PERFORMANCE EXPECTATIONS AND EVALUATION METHODS (Please check all that apply)**

- Performance in lab** (3900 students are expected to spend an average of 3 hrs/week in lab for each credit hour enrolled)
- Attendance at lab meetings; meetings with supervising faculty member**
- Assigned readings**
- Presentation**
- Written report (required for 3900 and 4701):** please attach a sheet that summarizes the type of report (i.e. project proposal; progress report; literature review; Honors thesis for 4701; etc.) and the expectations for content

**\*Please attach course syllabus.** If the syllabus contains the information requested above, the student and Instructor should sign and date a copy of the syllabus and submit it in lieu of this form.

I acknowledge that I have read and understand the expectations for participation and that the information provided is accurate to the best of my knowledge.

Student : \_\_\_\_\_ Date: \_\_\_\_\_

Instructor of Record \*\*: \_\_\_\_\_ Date: \_\_\_\_\_

\*\*If the supervision of the student's project will be shared between the Instructor of Record and collaborators outside the Department of Biological Sciences, please submit this form amended with pertinent information on the collaborative project for approval to the Chair.
